

KEEPING YOU INFORMED...

LGIT Receives Largest Cyber Claim Ever

March 8, 2023

LGIT Receives Three Cyber Claims in Three Weeks. Claims Total Almost \$1,000,000. All Three Cyber Claims Involve Phishing Emails.

PHISHING ATTACKS ON THE RISE

Are your employees trained to prevent cyber attacks? Employees who have been trained and remain vigilant about good data security practices are the first line of defense against data breaches and other incidents.

LGIT'S TOOLS AND RESOURCES

Are you taking advantage of the resources available for LGIT Members? There are training tips and tools available on Beazley's (Cyber Program) website, Zywave platform, and the Online Campus platform.

BEAZLEY WEBSITE

You must have a login/code to access all training tools.
The website is

<https://www.beazleybreachsolutions.com/usa/login.html>

If you need the access code, please contact Scott
Soderstrom, scott@lgit.org.
