WHO WE ARE

Proven and premier, Julie Parker Communications has the experience and expertise to help you reach your goals. Through tailored training, consulting and communications services, JPC has helped a wide range of organizations navigate being in the spotlight, including Montgomery County Government (MD), the United States Capitol Police, the University of Mississippi Medical Center and the National Park Service. From local municipalities to federal institutions and private corporations, JPC consistently emerges as the preferred communications partner due to our track record of delivering undeniable results. Whether it's leading through a crisis, improving your social media strategy to better connect with your audience, or preparing someone who represents your organization to face the media's cameras, Julie Parker Communications will walk with you to help ensure effective communication when it matters most.
